Information on the processing of personal data pursuant to art. 13 Reg. EU 2016/679 "GDPR"

The procedure relating to the application of the tourist/city tax involves the processing of personal data of instants by the Municipality of Treviso. This processing is aimed at carrying out the aforementioned procedure, in the context of the activities that the Municipality prepares in the public interest, including in the relevant public interest, in the exercise of public authority and in the fulfilment of a legal obligation to which the owner is subject. The processing is carried out in manual and computer mode. The provision of data is mandatory for the conduct of the administrative procedure and failure to provide implies the cancellation of the procedure for the impossibility to carry out the necessary investigation. The data collected are those provided by you with this form as well as those acquired by other entities as required by the legislation and will be processed by the staff of the Municipality, who acts on the basis of specific instructions. Your data may be communicated externally to persons appointed as data controllers to carry out the service and to people who have an interest in it pursuant to Law 241/1990 and s.m.i. and for the fulfilment of advertising obligations, transparency and dissemination of information by public administrations in accordance with Legislative Decree 33/2013. Your data may be communicated to other administrations as required by current legislation. The declarant may exercise the rights referred to in art. 15 and ss. of Reg. EU 679/2016, including the right to the complaint: www.garanteprivacy.it. The Municipality is the data controller. The complete information and contact details of the DPO are available on the City's website or at the appropriate offices.
